

Volunteer Opportunity with AYAC through the 2011 UTS Brennan Justice and Leadership Program

AYAC is privileged to be the charitable beneficiary of the Australian Federation of Freight Forwarders (AFIF) in 2011. In August, the proceeds from AFIF's annual golf fundraising event are being donated to AYAC. Ticket sales alone from the event are expected to raise over \$20 000 for our cause of assisting young adults with cancer.

What we need:

On the day we need volunteers to assist in the promotion of AYAC and other fundraising activities to help turn the \$20 000 we'll receive into thousands more.

Details:

- Thursday, 18 August 2011
- Macquarie Links Golf Course, Macquarie Links Drive, Macquarie Links 2565.
- Be there for an 8am start.

What will you be doing?

It's real easy! We need assistants to sell raffle tickets throughout the day, help out with activities on the golf course and sell food and drinks to players.

It will be plenty of fun.

We will provide you with an AYAC shirt to wear on the day as well so that you're a part of the team.

To donate some time to AYAC and help out on the day, please contact Nick Del Din on 0432 876 655. Alternatively, send an email to nick.deldin@ayac.com.au

Come get involved.
